PATRIOTIC SERMON

EVANGELIST PROUT SAYS HAND OF GOD IS SEEN IN AMERICA'S GROWTH

Evangelist C. S. Prout, in the course of his patriotic address, "Revival of the Spirit of 1776," delivered at the Gospel Pavilion, corner Harvard and Central, Sunday night spoke of the unparalelled growth and development of our nation, its establishment upon the principles of democracy and religious liberty, and its relation to the evangelization of the world.

"History records the rise of world powers which attained to greatness after centuries of strife and bloodshed," said Mr. Prout, "but it remained for the United States to set the pace for rapidity in gaining a place among the leading nations. From a few small colonies a little over a century ago, has evolved a nation which has become the meeting place of representatives from all nations.

"The hand of God has been in this great achievement of democracy for it is clearly His purpose that as people from all lands throng our cities and villages they will imbibe the spirit of freedom and independent thought and also learn of the God who implanted right principles in the hearts of our sturdy ancestors. With their minds enlightened with the principles our government stands for and a knowledge of the overruling God, these various peoples can return to their own lands to impart to others the uplift they have received and thus aid in the evangelization of the world.

"From out the Dark Ages of religious persecution and intolerance caused by the union of church and state began to come gleams of light in the persons and reforms of Mar-

WILL MOVE INTO NEW HOME

Mr. and Mrs. S. A. Young, whose home has been in San Pedro, expect to be able to take possession this week of a house they have been building at 528 West Doran street next door to the home of their daughter, Mrs. C. C. Kalbaugh. Mrs. Young has been living with Mrs. Kalbaugh for several months. Her daughter, Miss Delia Young, is spending the week with the Siples at Mile High Ranch where the cherry crop is now being harvested. She is expected home the early part of next week.

FURNITURE FACTORY DOING WELL

The Russell Furniture Manufacturing Company has gotten a fine start in its new location in the Payne Block, 129-133 South San Fernando Road. Two large store rooms, which were formerly occupied by the Tropico Mercantile Company and the big sheds in the rear, are used, the latter for the storing of lumber. Both hard and soft wood are used in the manufacture of bedroom furniture, which is the only line attempted now. Mr. Russell, the manager, says he is greatly pleased with the business outlook for the factory and he expects to put up a $25,000 or $30,000 factory building in a year or two. Machinery is now on the way, he says, from the factory he formerly had in Petersburg, Michigan, and this will be installed as soon as it arrives.

OLD RESIDENTS

MR. AND MRS. LAWRENCE ELLIS ARRIVE FROM SEATTLE FOR WEEK IN GLENDALE

Mr. and Mrs. Lawrence Ellis and son Charles of Seattle reached Glendale Thursday about twenty-four hours earlier than their friends expected them for they left Seattle by auto last Saturday about 5 o'clock and expected to be a full week on the way. They report that they found the roads pretty rough in Oregon, but drove rather fast notwithstanding, and after getting across the state line into California the going was very much better. They are now guests of Mrs. Ellis' parents, Mr. and Mrs. Ravenscroft, who have an apartment in the Masonic Temple. Mr. and Mrs. Ellis are former residents of Glendale and have a big circle of friends here. Mr. E. was allowed a three weeks' vacation and they figured by making a quick run they could make the round trip and have a week here. They will leave for the return to Seattle the last of the week.

PLAYERS' CLUB

ENJOYS INFORMAL PROGRAM IN CONNECTION WITH BUSINESS MEETING

The regular monthly meeting of "The Players' Club of Glendale" was held Friday evening in the Guild Room of St. Mark's Church. Reports from the secretary and treasurer were heard and some very interesting plans for the Club were outlined by the president, D. Lamont Green.

At the close of the business session an informal program was given, opening with the singing of "America" by all present in honor of Independence Day. Among the contributions on the program were piano solos by Miss Gertrude Champlain, two clever humorous songs by D. Lamont Green, a pianologue entitled "A Symphonii Poem," a fantasy of the desert, by Miss Ina Whitaker, and several acting charades. The whole program was quite impromptu but none the less delightful. Delicious coffee and cakes were served by Mrs. D. Lamont Green and Mrs. Helen Campbell. The singing of college songs and old favorites wound up this most enjoyable and informal evening.

The next entertainment to be given by the Club will be held at the residence of Mrs. Pearl G. Curran, about the middle of July.

PROMPT PAYMENT

J. W. M. Burton of Burton & Chandler reports with satisfaction the receipt of a draft from the North River Insurance Company's Offices in San Francisco in full for the insurance carried on the house of John Robert White, Jr., which was destroyed by fire. Mr. Burton says the draft came about as soon as it could reach him after he had dispatched the claim as there was no quibbling or delay on the part of the company in meeting the claim. He is glad to have his company make so good a record and glad to have Mr. White receive the money coming to him so promptly.

EVENING NEWS ADS BRING RESULTS

Glendale real estate dealers seem very appreciative of the value of the Evening News as a sales agent. For instance, Judge Harry M. Miller said he sold seven houses in one week from ads in the Evening News. He says people come into his office with the paper in their hands and ask about property listed in his ads. A lady dealer sold two houses at a cost of 60 cents for two ads in the classified section.

FAREWELL PICNIC

G. H. ROWE AND FRIENDS UNITE TO HONOR MISSIONARY LEAVING FOR JAPAN

Four families secured the use of a truck and with an auto or two motored to Monte Vista Park for a picnic together Monday. They were Mr. and Mrs. G. H. Rowe and family of this city, Rev. and Mrs. R. W. Mottern, their daughter and son, Harper Cobb and family, new comers from Texas who are living on San Fernando Road, and Rev. J. H. Rowe, his sister, Mrs. Ellis, and his four children. Rev. Howe, a brother of G. H. Rowe, is a returned missionary. He is leaving Thursday with his children to visit his parents in Virginia and from there will join Mrs. Ellis in New Orleans, leaving his children with her while he returns to Japan to continue his missionary labors in Fukuroka. Mrs. Ellis leaves today for New Orleans. This was a farewell picnic for these friends who are leaving this week. After spending pleasant hours at Monte Vista the party motored to the San Fernando Mission and returned to Glendale by way of Van Nuys.

SMITH BACK ON THE JOB

Joe Smith, who drove a delivery wagon for the Shaver Grocery Co. several years ago when Cecil Shaver was at the head of the company, is back at the same job again after working for different grocery stores in the interval. But now he drives an auto delivery instead of a team of horses. And, by the way, the Shaver Grocery Company is now owned by Harry G. McBain, who has bought out both his former partners, J. H. Redman a few months ago and Henry Christianson last week.

DEMOCRATIC NOMINEE FOR PRESIDENT

BRIEF SKETCH OF THE LIFE AND PUBLIC SERVICES OF MAN CHOSEN BY 'FRISCO CONVENTION

James Middleton Cox, chosen on the 44th ballot at the San Francisco national convention to lead the Democratic hosts in the 1920 campaign for president, was born in 1870, on a farm in Butler county, Ohio. He attended a country school and later taught in the very building where he had received the groundwork of his own education. He spent evenings and holidays in the local newspaper office and finally became a reporter for the Cincinnati Enquirer. Ten years later he bought the Dayton Daily News and a few years afterward the Springfield Daily News. He was elected to congress in 1908 and to the governorship in 1912, 1916 and 1918. Recently he bought the old farm on which he was born, near Jacksonburg, Butler County, and is making of it a model country home to which he expects to retire when his public life is over.

WASHINGTON, July 6.—The Comptroller of Currency today issued a call for reports on the condition of national banks at the close of business June 30.

HOW COX RECEIVED HIS NOMINATION

HIS WIFE AND A PARTY OF FRIENDS REJOICE WITH HIM AND ALL THE WOMEN KISS HIM

(Special Service to Glendale Evening News)

DAYTON, O., July 6.—Governor Cox received the news of his nomination to the presidency over a special telegraph wire in his newspaper office here this morning.

When the result of the 43rd ballot came in Cox declared: "Boys, it's over now." Then came the final message saying: "Cox nominated."

His friends surged around him and carried Cox to the outer office where Mrs. Cox and a group of women were waiting. Both Cox and his wife cried and the women present all kissed him.

Cox then went to the home of John McMahon, aged 87, his old friend and adviser, and then went to his own home. Early today he went to the cemetery and prayed for half an hour beside the grave of his mother.

ELKS LIKE LOS ANGELES

GRAND LODGE CHOOSES L. A. FOR NEXT CONVENTION; ELECTS CALIFORNIAN GRAND EXALTED RULER

(Special Service to Glendale Evening News)

CHICAGO, July 6.—The Grand Lodge of Elks in convention here today selected Los Angeles as the 1921 convention city and elected William Abbott of San Francisco Grand Exalted Ruler.

PROHIBITIONISTS DISSATISFIED

(Special Service to Glendale Evening News)

CHICAGO, July 6.—Joe Henshaw, national chairman for the Prohibition party, declared today that Cox's nomination means that prohibitionists will put their own candidate in the field.

W. B. KELLY TALKS

HELPED TO PUT AMERICAN LEGION'S PLANK IN DEMOCRATIC PLATFORM

When interviewed in regard to his trip to the convention at San Francisco, W. B. Kelley of 927 Randolph street said:

"Yes, you can say I am glad to be back here and if a convention four years from now can be brought to Southern California, the thousands of people who journeyed from the Middle West, the East and the South to attend the one at San Francisco either as delegates or trailing along expecting to see California would welcome the prolonged balloting because of the opportunities it would give them to see the wonderful playgrounds we have here.

"While much interested in going up to see the inner workings of the convention and to be with old friends waging their fight there, my special errand was to see the men on the Resolutions Committee and emphasize to them the importance of getting into the platform a plank favorable to the ex-service men. The plank is not specific in regard to the form in which help shall be given the soldier, leaving that to Congress, but a plank pledging the party to do its duty by the ex-service men is there.

"The method of selecting a candidate for President of the United States should be in the hands of the people and not in the hands of a few selected delegates. I hope, with the entrance of women into the full privilege of citizenship they will not be content with the present method and will work for one which will favor the will of the people rather than the will of the politicians. The convention showed its spirit of fairness to women by voting to have the Deomcratic National Committee include one woman as well as one man from every state in the Union."

HORSESHOE CLUB CONTEST

Members of the Glendale Horseshoe Club had a most interesting contest Saturday afternoon between two teams picked from their number. Capt. Osborne of the Reds and Capt. Nicoles of the Blues are proud of the records made by their respective teams. The Blues won 20 games, made 666 points and scored 307 ringers. The Reds won the same number of games, but made only 619 points and 290 ringers. It is hoped to have such a contest every Saturday afternoon.

SAFE AND SANE FOURTH

City Marshal Stanley says the thanks of the police department are due the children of Glendale for their obedience to law on the Fourth in the way of abstaining from the use of prohibited fireworks and in the care they used to prevent fires. Not a hurtful accident and not a fire were reported either Sunday or Monday.

BUYS WAREHOUSE

H. G. CHAFFEE CO. ACQUIRES U. S. ARMY QUARTERMASTER'S DEPOT

The following statement to the Evening News by an official of the H. G. Chaffee Company will be of interest to the citizens of Glendale, where two stores belonging to this company are operated:

The United States Army Quartermaster Depot at 906-920 East Third street, Los Angeles, has been taken over by the H. G. Chaffee Company to be used as a warehouse for supplying the 64 stores located in Southern California. The purchase was made on Wednesday from F. W. Brown of Los Angeles, the price being withheld.

The building contains three stories and a basement. Each of the floors is of reinforced concrete, affording a floor space of 66,000 square feet. This area allows space for supplies for at least 100 stores. The structure is thoroughly equipped for warehouse purposes. There are two elevators and spiral chutes will be installed to bring the stock down, making delivery from upper floors rapid. There are three large stairways and the lighting features are excellent. In the daytime the large building is very light, due to the number of windows on each floor.

Two track spurs run past the new warehouse, allowing six cars to be unloaded at the same time. The

SMITH-LOUNT

NIECE OF MRS. H. M. MORTON WEDS MOVING PICTURE MAN FROM NEW YORK

A very quiet but none the less pretty home wedding was celebrated Saturday evening about 7 o'clock at the home of Mr. and Mrs. H. M. Morton at 114 Milford street when Miss Laurie Lount, adopted daughter and niece of Mrs. Morton, was united in marriage to Leonard Smith, whose home is in New York but who has adopted California as his residence since he came here to enter motion picture work. Captain Hayes, a military chaplain, officiated. The bride who was garbed in a handsome white cloth going-away gown and who carried a beautiful bouquet of white roses, was attended by her cousin, Miss Dorothy Morton, another cousin, Archie Morton, acting as best man. The wedding march was played by Mrs. Morton. After receiving the congratulations of the small party of relatives and intimate friends who were present as witnesses and partaking of the wedding refreshments, Mr. and Mrs. Smith left for a few days at the beaches and on Monday joined the Mortons and friends in a picnic at Santa Monica. They will make their home for the present with Mr. and Mrs. Morton but are planning to build a home of their own. Mrs. Smith has always lived with Mrs. Morton and is as near and dear to her aunt as an own child.

HIKES AND TESTS

BOY SCOUTS OF TROOP NO. 2 PUT IN BUSY WEEK AT CAMP ROBINSON

Boy Scouts of Troop No. 2 have discovered that Camp Robinson on Mount Baldy is a fine place to take merit badge tests. David Roberts, Arthur Wetton, Robert Stanford, passed there the merit badge test for "recovery." Scouts David Roberts and Robert Frazee passed the merit badge test for first aid to animals. The boys have evidently had a jolly week. A letter from camp to the Evening News reads as follows:

Camp Robinson.

Tuesday was spent in short trips in the mountains around Baldy. Tuesday evening was "officers' night" and eight troop officers in charge of Assistant Scoutmaster Robinson visited Camp Baldy and

CHRISTIAN SUNDAY SCHOOL CABINET MEETING

The regular quarterly meeting of the officers and teachers of the Central Christian Bible School was held Friday evening at the home of Mr. and Mrs. R. P. Jodon, 133 S. Kenwood street. There were twenty-one workers present. Three tables had been set in the back yard under the trees and loaded with choice eatables. After giving a good account of these the workers went into the house and the cabinet meeting was held. Reports of secretary and treasurer were read, showing all bills paid and a balance in the treasury. Plans were made for the summer's work in accordance with suggestions made last Sunday by Pastor C. A. Cole. Native sons and daughters will have charge of the Bible School on Sunday, July 11th, "California Day," decorating the auditorium with flowers and greenery, choosing the songs and conducting the entire service. Natives of some other state will take the next Sunday and so on through July, August and possibly September. Statistical reports showed the attendance to be larger than during the second quarter of last year.

BACK TO OLD HOME

MRS. F. L. CHURCH AND DAUGHTER ELSIE LEAVE FOR SPRINGFIELD, MASS.

Mrs. F. L. Church and daughter, Miss Elsie Church, of 225 North Orange street, left Saturday night on the Lark for San Francisco, en route for Boston, Mass. They planned to spend Sunday night with Mrs. Cora S. Taylor, who will be remembered as principal of the Columbus Avenue School, but who is now in Oakland. The first objective of the travelers after reaching Massachusetts was to be Springfield, their old home. They expect to be gone three months or more and to visit New York and Washington. They will return by the Southern route.

SCOUTS BREAK CAMP

BOYS OF TROOP NO. 2 ENTERTAIN GUESTS AT CAMP ESTELLE

The last letter from Camp Robinson written before the Boy Scouts of Troop No. 2 packed their kits and departed on the homeward trail recounts their doings as follows:

Friday, Camp Robinson on Mount Baldy.

Mess was served extra early and the Scouts in charge of Scoutmaster Robinson hiked up to see the old hydraulic gold mine. They enjoyed the trip very much. They were invited by the Y. W. C. A. directors to visit Camp Estelle where a wienie roast was given in honor of the troop. To reciprocate for their entertainment the troop enacted their play "A Day in Camp," Willard Roberts did some fancy rope tying, Arthur Witton demonstrated the proper way to build a camp range, Stillman Chase the proper way to light a fire. There was also some pyramid building and a talk on Scouting by Assistant Scoutmaster H. Benj. Robinson. After the program the Scouts and the girls had a fine time singing and playing games.

After taps the flaming cross appeared again throwing the candidates for the S. and C. B. First Class Scout Club into a great state of excitement. Saturday noon the Scouts left for home.

attended the dance there, spending a very delightful evening.

Wednesday five of the scouts of highest rank in charge of Assistant Scoutmaster Robinson started for Glen Ranch in Lytle Creek Canyon. Blankets and grub enough for two days were carried. The party left Camp Robinson about five o'clock and hiked up Ice House Canyon. The divide was reached about 10:30 near the summit of Mount Cucamonga. From there the scouts went down the middle fork of Lytle Creek to the main creek and from there to Glen Ranch where they had supper. They then visited Benetta Falls and Camp Roosevelt, the Riverside Boy Scout Camp, their hike up to that time having covered about 24 miles. From Camp Roosevelt they went by motor to San Antonio Heights where they spent the night and Thursday morning hiked back to Camp Robinson. Those who made the trip were Assistant Scoutmaster H. B. Robinson, Burton Kuntzner, Thomas Wood, Stillman Chase, Willard Roberts and Henry Blumbard.

The next few days look very promising as the Los Angeles Y. W. C. A. has invited the troop to visit Camp Estelle at a campfire Friday night. Camp Estelle and Camp Robinson are neighbors. The two camps will visit the old Flint Ridge mines on Friday.

CAMP ROBINSON SCOUT.

ATTEND PILGRIM PLAY

A number of Glendale residents went by trolley and by auto to the Pilgrim Play in Hollywood Saturday evening, the cast of which includes Mr. and Mrs. William Ralston and their son Clarence. Mrs. E. A. Cross, who was one of the visitors, reports it is a very wonderful performance and altogether unique in its lovely out-of-door setting and wonderful lighting effects. The words of Chrst have a new meaning when spoken in a setting which so beautifully reproduces the land of Palestine in which his work was accomplished, she says. The music which accompanies the play is fitted to the theme and subordinated in a manner which inspires added respect for the conscientious work of the promoters of the sacred drama.

FEW HOLIDAY VIOLATIONS OF TRAFFIC LAWS

There were only six arrests for violation of the traffic ordinance Sunday and seven on Monday against 12 for Saturday. One auto driver arrested yesterday, a prominent lawyer formerly living in Glendale but now a resident of Los Angeles, was accused of three separate violations—exceeding the speed limit, cutting a corner and failing to give the turning signal.

Members of the Kill Kare Klub of this city enjoyed a delightful outing at Oakwilde in Arroyo Seco. They left here Saturday afternoon to take possession of the hillside cabin they had engaged and did not return until Monday night, spending the interval in hiking and otherwise enjoying the mountains. In the party were Birdie and Lillian Shropshire, Leeta and Alice McCoy, Dollie Jones, Ruth Martin, Gertrude Ross, Ethel Connings, Katherine Coats, Claire Clenn.

DR. MARLENEE EMPLOYS ASSISTANT

Dr. C. L. Marlenee, the optometrist, has been in his present location at 104 East Broadway less than a year, yet he finds that the people of Glendale patronize home industries and home profession much more than he had anticipated. Their patronage and Glendale's wonderful growth have made it necessary for him to engage an assistant. Dr. L. Johnson, who was for two years with Dr. Noe of Los Angeles. Dr. Marlenee is delighted with the possibilities of Glendale and is adding to his lens labratory the latest equipment for lens grinding; saving his patients' time and adding to their convenience. Nothing will be spared in making his office efficient and up-to-date and a credit to Glendale.

THREE AUTOS IN SMASH

Mrs. J. S. Stanford of 1147 East Wilson avenue was driving rapidly north on Adams street Saturday afternoon about 4:30, when at Broadway she struck a machine being driven east by Mr. Rodney of the Eagle Rock garage, turning it completely around and then shoving it into the car of E. L. McGhee of 1101 East Broadway, which was standing in front of the house. All three machines were apparently locked together but only Mr. McGhee's was badly damaged. It was shoved so hard against the curb that the wheels gave down, the spokes being nearly all broken and the rim bent. No one was hurt.

R. M. JACKSON VERY ILL

Robert M. Jackson is very ill, at the home of his brother, John H. Jackson, 332 North Orange, and the relatives have very little hope of his recovery.

ANNOUNCEMENTS

ADVERTISEMENTS

NOTICE

In Regard to Opening and Extension of Patterson Avenue.

It has come to our notice that a misunderstanding has developed as to the plan for the extension of Patterson Avenue, as announced by notices mailed to property holders under date of June 28.

These notices are necessarily brief and are designed to call attention to the matter and refer interested property holders to the ORDINANCE OF INTENTION NO. 384, WHICH DESCRIBES IN DETAIL THE GROUND TO BE TAKEN FOR STREET PURPOSES AND THE DISTRICT TO BE ASSESSED FOR THE COST THEREOF.

We understand that some of the property holders interested have gained the impression that Patterson Avenue is to be widened from Central Avenue to Kenilworth Avenue as well as opened between Central Avenue and Brand Blvd., and extended from Kenilworth Avenue to San Fernando Road. This is not the fact. A reference to Ordinance No. 384, which sets forth the description of the ground to be taken for street purposes, will settle any misunderstanding on this point.

The plan for the opening of Patterson Avenue, as set forth by this ordinance, is to open the two blocks from Brand Blvd. to Central Avenue and extend Patterson Avenue from Kenilworth Avenue to San Fernando Road; THAT PORTION OF PATTERSON AVENUE BETWEEN CENTRAL AVENUE AND KENILWORTH AVENUE IS NOT TO BE DISTURBED IN ANY WAY BY THESE PROCEEDINGS.

T. W. WATSON,

THE MILLENNIUM

SOME PRACTICAL TRUTHS IN SERMON AT PRESBYTERIAN CHURCH

Rev. W. E. Edmonds gave a practical and convincing sermon on Sabbath morning concerning truths regarding the Millennium. He took as his text Zach. 14:9: "And the Lord shall be king over all the earth: in that day shall there be one Lord, and His name one." The sermon is briefly outlined as follows:

"For five weeks we have been considering dispensational truths. There are many things in the word of God that we must learn to love before we enjoy them. I am very sure that you will agree with me that the day of our text this morning has not yet dawned. From the remotest antiquity men have been looking forward to this golden age. We look out and wish that things were better, but what shall we do, for vain is the help of man. Just before the breaking out of the war there were those who believed we were merging into the period of the millennium. Then like a clap out of a clear sky came the news of the world war. Up came our boundaries, men hated each other with a devilish hate. Certainly it was not the age of the millennium. In pointing out what the student of the Word of God must see, namely, that the coming of our Lord Jesus Christ must be pre-mil-

Orange and Lexington Drive entertained with a week-end party, their guest list including Mr. and Mrs. Fred Conrad, and Mr. and Mrs. Le Roy Conrad of Los Angeles, and Miss Weightman of Denver. A mid-day picnic dinner was served Monday afternoon and a pleasant social afternoon of music and dancing enjoyed.

Mr. and Mrs. F. M. Litchfield and Mrs. H. D. LOT CLEANING

NOTICE TO PROPERTY OWNERS!

On May 20, 1920, the Board of Trustees of the City of Glendale adopted an Ordinance entitled:

"AN ORDINANCE OF THE BOARD OF TRUSTEES OF THE CITY OF GLENDALE TO COMPEL THE OWNER, LESSEE, OR OCCUPANT OF BUILDINGS, GROUNDS OR LOTS TO REMOVE DIRT, RUBBISH, WEEDS AND RANK GROWTHS FROM THE SIDEWALK OPPOSITE THERETO, AND FROM THE BUILDING OR GROUNDS; AND ON HIS DEFAULT, AFTER NOTICE AS THEREIN PROVIDED, TO AUTHORIZE THE REMOVAL OR DESTRUCTION THEREOF BY THE STREET SUPERINTENDENT OF SAID CITY, AT THE EXPENSE OF SUCH OWNER, LESSEE OR OCCUPANT, AND PRESCRIBING THE PROCEDURE TO MAKE SUCH EXPENSE A LIEN UPON SUCH BUILDINGS OR GROUNDS."

Owing to the high cost of labor and the inability to secure efficient help, property owners who leave their lots to be cleaned by the City might will find that the expense for doing the same is far in excess of their expectations.

It is a matter of civic pride that every vacant lot be free from rank growths and every property owner should exercise that proclivity.

Clean Off Your Vacant Lots Now and Save Yourself the Added Expense

A free Employment Bureau is maintained at the City Hall and you are invited to call for information regarding laborers.

All contractors, laborers, desiring work of this character are urged to leave their address and telephone number at the City Hall.

PATRIOTIC SERMON

tin Luther, Huss, Jerome, Wesley and others. These reformers gradually developed a people who recognized and claimed the right of man to life, liberty and the pursuit of happiness. Those who eventually made the first landing in the new soil were men of this stamp and upon their character foundation was built up the nation of today.

"Not without tribulations, persecutions and sore trial were any reforms effected. Even Columbus was considered a person of unstable judgment on account of his radical ideas relating to the rotundity of the earth's shape and his left-handed methods of reaching the new world.

"When at a later date, a few thinking men were gathered about the table upon which lay the Declaration of Independence a very estimable lady of unsympathetic birthplace was making her daily diary notations, and this is the substance of what she wrote: 'I hear that today a few men are poring over a document they call the Declaration of Independence, but I notice that they are not of the intellectual type!' The lapse of time, however, has proven the worth of all true reforms and reformers and vindicated their intellect.

"God has given to the world a succession of great lessons through the various reformers and their messages and He designs a further enlightenment through present and future reform lessons.

"At the present time, the Fourth of July is celebrated by many in a thoughtless manner, wholly ignoring the real meaning of the occasion. Many also of late years are losing sight of the great principles which are embodied in the constitution and are slowly but surely swinging back to the old intolerant spirit of restricting religious freedom.

"When Jesus was on earth He taught that man should render to Caesar or the earthly powers, the things due to Caesar but unto God the things that are God's. This principle is embodied in the constitution under the first amendment thus. 'Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof.'

"When any man or body of men under any name whatever set out to make or cause to be made, laws respecting the establishment of religion, the obligation of attending church on a specified day or cessation of honest labor at stated times, they are treading on dangerous ground. Men can never be forced into Christianity, but such a course can make infidels and agnostics. The tide of evil will never be stemmed by the enactment of laws which are contrary to the great principles of liberty laid down by our far-seeing ancestors. On the other hand such legislation will but bring about a repetition of the scenes of the Dark Ages."

An interesting feature of Evangelist Prout's lectures is the special music rendered each evening by local talent. With each lecture pictures are thrown on the screen appropriate to the subject. The lectures are well attended.

The subject Tuesday night will be "God's Challenge to the Infidel."

THE MILLENNIUM

(Continued from Page 3)

lennial, I shall sum it up under five heads:

First, look at the millennium from the relation of Satan. There will never be a millennium as long as the arch enemy of God is at large. The Church of Jesus Christ has never been able to dislodge the devil for a single minute. He is still the prince of the powers of the air, his power has never been curbed. There is only one way for a change to come into the human heart and that is through the shed blood of Jesus Christ. Satan must be first cast into the lake of fire. Second, what is the relation of the millennium with regard to Jesus Christ? and third, Jesus Christ as King. He will be king of kings and Lord of Lords. Fourth, what will be the relationship between the millennium and the church?

The church means every believer regardless of their denomination. There are a great many things that we do not know: but there are a couple of things which are absolutely beyond question. First, we shall be with Him. When Jesus Christ comes at the rapture then we shall be called up to meet Him and so shall we ever be with the Lord. Today He is our absent living Lord, but when He comes to take up His abode with us we shall be forever with the Lord; there will be no further separation.

Second, we shall enter for the first time into real unity. There will never be unity until the living head be united to the body.

The fifth and last point, what will be the relation of Israel to the millennium? When God comes to deal with Israel the Jews shall be exalted among the nations. Read the 40th and 41st chapters of Ezekiel and see what will be when the Jew comes into his own. Read also the first six chapters of Isaiah. The whole creation will be transformed at the coming of the Lord. The whole of creation is now under the curse. Do you think God ever intended this whole world should be cursed? At the coming of the Lord every man shall sit under his own vine and fig tree; the lion and the lamb shall die down together, there will be no sickness, earthquakes or tornadoes.

The return of the Redeemer is but the climax of all the mile stones of the church. Jesus Christ said: "If it were not so I would have told you. I go to prepare a place for you, and if I go I will come again and receive you unto myself, that where I am there ye may be also." We can well afford to follow. "What I say unto you I say unto all—watch!" Only a few more shadows and He will come, and come shortly.

BUYS WAREHOUSE

(Continued from Page 1)

building has a 136-foot frontage. One of the rooms will be devoted to bottling and packing the special brands of goods featured by the company.

On the next lot to the building there is a garage in which the company after making repairs will place its trucks. There will be a night and day shift, and all the trucks will work 24 hours daily.

W. R. Donner of Pasadena will have entire supervision of the warehouse, and there will be a foreman stationed on each floor. The best up-to-date system in handling the groceries and products of the company will be installed with a view to furnishing the fastest service possible for the various stores.

The Chaffee Company has been using parts of seven buildings for warehouse purposes, one of them, the Pasadena building, being owned by the concern. The six will be discontinued and the Los Angeles and Pasadena warehouses will be the spots where all products before reaching the stores will be housed.

Operations in moving have already started and within a short time activities at the new Los Angeles building will be in full swing.

Mr. Bryan has not been heard to insist that Mr. Hitchcock reverse his decision not to accept the vice-presidential nomination.

"Bringing Up Father"

Start the Day With a Laugh

An over-the-coffee-cup laugh helps you to start the day right—helps throughout the after hours to make your troubles less bothersome, your burdens lighter, your work easier.

Father's daily effort to "put one over" on Maggie, his unfailing good humor and, above all, his lovable humanness, make him the official gloom-chaser of many an American breakfast-table.

If you want to get that soul-satisfying, "at peace with the world" feeling—read "Bringing Up Father" in The Examiner—it'll put you in a good humor and will make the whole day seem brighter.
